24 Defendant.

Case No.: 8:15-cv-02152-RSWL

STIPULATED PROTECTIVE
ORDER

25 1. A. PURPOSES AND LIMITATIONS

26 Discovery in this action is likely to involve production of confidential,
27 proprietary or private information for which special protection from public
28 disclosure and from use for any purpose other than prosecuting this litigation may

1 be warranted. Accordingly, the parties hereby stipulate to and petition the Court to
2 enter the following Stipulated Protective Order. The parties acknowledge that this
3 Order does not confer blanket protections on all disclosures or responses to
4 discovery and that the protection it affords from public disclosure and use extends
5 only to the limited information or items that are entitled to confidential treatment
6 under the applicable legal principles.

7
8 B. GOOD CAUSE STATEMENT

9 This action is likely to involve trade secrets, customer and pricing lists and
10 other valuable research, development, commercial, financial, technical and/or
11 proprietary information for which special protection from public disclosure and
12 from use for any purpose other than prosecution of this action is warranted. Such
13 confidential and proprietary materials and information consist of, among other
14 things, confidential business or financial information, information regarding
15 confidential business practices, or other confidential research, development, or
16 commercial information (including information implicating privacy rights of third
17 parties), information otherwise generally unavailable to the public, or which may be
18 privileged or otherwise protected from disclosure under state or federal statutes,
19 court rules, case decisions, or common law. Accordingly, to expedite the flow of
20 information, to facilitate the prompt resolution of disputes over confidentiality of
21 discovery materials, to adequately protect information the parties are entitled to keep
22 confidential, to ensure that the parties are permitted reasonable necessary uses of
23 such material in preparation for and in the conduct of trial, to address their handling
24 at the end of the litigation, and serve the ends of justice, a protective order for such
25 information is justified in this matter. It is the intent of the parties that information
26 will not be designated as confidential for tactical reasons and that nothing be so
27 designated without a good faith belief that it has been maintained in a confidential,
28

1 non-public manner, and there is good cause why it should not be part of the public
2 record of this case.

3
4 C. ACKNOWLEDGMENT OF PROCEDURE FOR FILING UNDER SEAL

5 The parties further acknowledge, as set forth in Section 12.3, below, that this
6 Stipulated Protective Order does not entitle them to file confidential information
7 under seal; Local Civil Rule 79-5 sets forth the procedures that must be followed
8 and the standards that will be applied when a party seeks permission from the court
9 to file material under seal.

10 There is a strong presumption that the public has a right of access to judicial
11 proceedings and records in civil cases. In connection with non-dispositive motions,
12 good cause must be shown to support a filing under seal. *See Kamakana v. City and*
13 *County of Honolulu*, 447 F.3d 1172, 1176 (9th Cir. 2006), *Phillips v. Gen. Motors*
14 *Corp.*, 307 F.3d 1206, 1210-11 (9th Cir. 2002), *Makar-Welbon v. Sony Electronics,*
15 *Inc.*, 187 F.R.D. 576, 577 (E.D. Wis. 1999) (even stipulated protective orders
16 require good cause showing), and a specific showing of good cause or compelling
17 reasons with proper evidentiary support and legal justification, must be made with
18 respect to Protected Material that a party seeks to file under seal. The parties' mere
19 designation of Disclosure or Discovery Material as CONFIDENTIAL does not—
20 without the submission of competent evidence by declaration, establishing that the
21 material sought to be filed under seal qualifies as confidential, privileged, or
22 otherwise protectable—constitute good cause.

23 Further, if a party requests sealing related to a dispositive motion or trial, then
24 compelling reasons, not only good cause, for the sealing must be shown, and the
25 relief sought shall be narrowly tailored to serve the specific interest to be protected.
26 *See Pintos v. Pacific Creditors Ass'n*, 605 F.3d 665, 677-79 (9th Cir. 2010). For
27 each item or type of information, document, or thing sought to be filed or introduced
28 under seal in connection with a dispositive motion or trial, the party seeking

1 protection must articulate compelling reasons, supported by specific facts and legal
2 justification, for the requested sealing order. Again, competent evidence supporting
3 the application to file documents under seal must be provided by declaration.

4 Any document that is not confidential, privileged, or otherwise protectable in
5 its entirety will not be filed under seal if the confidential portions can be redacted.
6 If documents can be redacted, then a redacted version for public viewing, omitting
7 only the confidential, privileged, or otherwise protectable portions of the document,
8 shall be filed. Any application that seeks to file documents under seal in their
9 entirety should include an explanation of why redaction is not feasible.

10 11 2. DEFINITIONS

12 2.1 Action: *Vyas v. Vyas, et al.*, Case No.: 8:15-cv-02152-RSWL.

13 2.2 Challenging Party: a Party or Non-Party that challenges the
14 designation of information or items under this Order.

15 2.3 "CONFIDENTIAL" Information or Items: information (regardless of
16 how it is generated, stored or maintained) or tangible things that qualify for
17 protection under Federal Rule of Civil Procedure 26(c), and as specified above in
18 the Good Cause Statement.

19 2.4 Counsel: Outside Counsel of Record and House Counsel (as well as
20 their support staff).

21 2.5 Designating Party: a Party or Non-Party that designates information or
22 items that it produces in disclosures or in responses to discovery as
23 "CONFIDENTIAL."

24 2.6 Disclosure or Discovery Material: all items or information, regardless
25 of the medium or manner in which it is generated, stored, or maintained (including,
26 among other things, testimony, transcripts, and tangible things), that are produced or
27 generated in disclosures or responses to discovery in this matter.

28 2.7 Expert: a person with specialized knowledge or experience in a matter

1 pertinent to the litigation who has been retained by a Party or its counsel to serve as
2 an expert witness or as a consultant in this Action.

3 2.8 House Counsel: attorneys who are employees of a party to this Action.
4 House Counsel does not include Outside Counsel of Record or any other outside
5 counsel.

6 2.9 Non-Party: any natural person, partnership, corporation, association or
7 other legal entity not named as a Party to this action.

8 2.10 Outside Counsel of Record: attorneys who are not employees of a
9 party to this Action but are retained to represent or advise a party to this Action and
10 have appeared in this Action on behalf of that party or are affiliated with a law firm
11 that has appeared on behalf of that party, and includes support staff.

12 2.11 Party: any party to this Action, including all of its officers, directors,
13 employees, consultants, retained experts, and Outside Counsel of Record (and their
14 support staffs).

15 2.12 Producing Party: a Party or Non-Party that produces Disclosure or
16 Discovery Material in this Action.

17 2.13 Professional Vendors: persons or entities that provide litigation
18 support services (e.g., photocopying, videotaping, translating, preparing exhibits or
19 demonstrations, and organizing, storing, or retrieving data in any form or medium)
20 and their employees and subcontractors.

21 2.14 Protected Material: any Disclosure or Discovery Material that is
22 designated as "CONFIDENTIAL."

23 2.15 Receiving Party: a Party that receives Disclosure or Discovery
24 Material from a Producing Party.

25 26 3. SCOPE

27 The protections conferred by this Stipulation and Order cover not only
28 Protected Material (as defined above), but also (1) any information copied or

1 extracted from Protected Material; (2) all copies, excerpts, summaries, or
2 compilations of Protected Material; and (3) any testimony, conversations, or
3 presentations by Parties or their Counsel that might reveal Protected Material.

4 Any use of Protected Material at trial shall be governed by the orders of the
5 trial judge. This Order does not govern the use of Protected Material at trial.

6 ///

7 4. DURATION

8 Once a case proceeds to trial, information that was designated as
9 CONFIDENTIAL or maintained pursuant to this protective order used or introduced
10 as an exhibit at trial becomes public and will be presumptively available to all
11 members of the public, including the press, unless compelling reasons supported by
12 specific factual findings to proceed otherwise are made to the trial judge in advance
13 of the trial. *See Kamakana*, 447 F.3d at 1180-81 (distinguishing “good cause”
14 showing for sealing documents produced in discovery from “compelling reasons”
15 standard when merits-related documents are part of court record). Accordingly, the
16 terms of this protective order do not extend beyond the commencement of the trial.

17
18 5. DESIGNATING PROTECTED MATERIAL

19 5.1 Exercise of Restraint and Care in Designating Material for Protection.

20 Each Party or Non-Party that designates information or items for protection under
21 this Order must take care to limit any such designation to specific material that
22 qualifies under the appropriate standards. The Designating Party must designate for
23 protection only those parts of material, documents, items or oral or written
24 communications that qualify so that other portions of the material, documents, items
25 or communications for which protection is not warranted are not swept unjustifiably
26 within the ambit of this Order.

27 Mass, indiscriminate or routinized designations are prohibited. Designations
28 that are shown to be clearly unjustified or that have been made for an improper

1 purpose (e.g., to unnecessarily encumber the case development process or to impose
2 unnecessary expenses and burdens on other parties) may expose the Designating
3 Party to sanctions.

4 If it comes to a Designating Party's attention that information or items that it
5 designated for protection do not qualify for protection, that Designating Party must
6 promptly notify all other Parties that it is withdrawing the inapplicable designation.

7 5.2 Manner and Timing of Designations. Except as otherwise provided in
8 this Order (see, e.g., second paragraph of section 5.2(a) below), or as otherwise
9 stipulated or ordered, Disclosure or Discovery Material that qualifies for protection
10 under this Order must be clearly so designated before the material is disclosed or
11 produced.

12 Designation in conformity with this Order requires:

13 (a) for information in documentary form (e.g., paper or electronic
14 documents, but excluding transcripts of depositions or other pretrial or trial
15 proceedings), that the Producing Party affix at a minimum, the legend
16 "CONFIDENTIAL" (hereinafter "CONFIDENTIAL legend"), to each page that
17 contains protected material. If only a portion of the material on a page qualifies for
18 protection, the Producing Party also must clearly identify the protected portion(s)
19 (e.g., by making appropriate markings in the margins).

20 A Party or Non-Party that makes original documents available for inspection
21 need not designate them for protection until after the inspecting Party has indicated
22 which documents it would like copied and produced. During the inspection and
23 before the designation, all of the material made available for inspection shall be
24 deemed "CONFIDENTIAL." After the inspecting Party has identified the
25 documents it wants copied and produced, the Producing Party must determine which
26 documents, or portions thereof, qualify for protection under this Order. Then,
27 before producing the specified documents, the Producing Party must affix the
28 "CONFIDENTIAL legend" to each page that contains Protected Material. If only a

1 portion of the material on a page qualifies for protection, the Producing Party also
2 must clearly identify the protected portion(s) (e.g., by making appropriate markings
3 in the margins).

4 (b) for testimony given in depositions that the Designating Party identifies
5 the Disclosure or Discovery Material on the record, before the close of the
6 deposition all protected testimony.

7 (c) for information produced in some form other than documentary and
8 for any other tangible items, that the Producing Party affix in a prominent place on
9 the exterior of the container or containers in which the information is stored the
10 legend "CONFIDENTIAL." If only a portion or portions of the information
11 warrants protection, the Producing Party, to the extent practicable, shall identify the
12 protected portion(s).

13 5.3 Inadvertent Failures to Designate. If timely corrected, an inadvertent
14 failure to designate qualified information or items does not, standing alone, waive
15 the Designating Party's right to secure protection under this Order for such material.
16 Upon timely correction of a designation, the Receiving Party must make reasonable
17 efforts to assure that the material is treated in accordance with the provisions of this
18 Order.

19 20 6. CHALLENGING CONFIDENTIALITY DESIGNATIONS

21 6.1 Timing of Challenges. Any Party or Non-Party may challenge a
22 designation of confidentiality at any time that is consistent with the Court's
23 Scheduling Order.

24 6.2 Meet and Confer. The Challenging Party shall initiate the dispute
25 resolution process under Local Rule 37.1 et seq.

26 6.3 The burden of persuasion in any such challenge proceeding shall be on
27 the Designating Party. Frivolous challenges, and those made for an improper
28 purpose (e.g., to harass or impose unnecessary expenses and burdens on other

1 parties) may expose the Challenging Party to sanctions. Unless the Designating
2 Party has waived or withdrawn the confidentiality designation, all parties shall
3 continue to afford the material in question the level of protection to which it is
4 entitled under the Producing Party's designation until the Court rules on the
5 challenge.

6 ///

7 7. ACCESS TO AND USE OF PROTECTED MATERIAL

8 7.1 Basic Principles. A Receiving Party may use Protected Material that is
9 disclosed or produced by another Party or by a Non-Party in connection with this
10 Action only for prosecuting, defending or attempting to settle this Action. Such
11 Protected Material may be disclosed only to the categories of persons and under the
12 conditions described in this Order. When the Action has been terminated, a
13 Receiving Party must comply with the provisions of section 13 below (FINAL
14 DISPOSITION).

15 Protected Material must be stored and maintained by a Receiving Party at a
16 location and in a secure manner that ensures that access is limited to the persons
17 authorized under this Order.

18 7.2 Disclosure of "CONFIDENTIAL" Information or Items. Unless
19 otherwise ordered by the court or permitted in writing by the Designating Party, a
20 Receiving Party may disclose any information or item designated
21 "CONFIDENTIAL" only to:

22 (a) the Receiving Party's Outside Counsel of Record in this Action, as
23 well as employees of said Outside Counsel of Record to whom it is reasonably
24 necessary to disclose the information for this Action;

25 (b) the officers, directors, and employees (including House Counsel) of
26 the Receiving Party to whom disclosure is reasonably necessary for this Action;

27 (c) Experts (as defined in this Order) of the Receiving Party to whom
28 disclosure is reasonably necessary for this Action and who have signed the

1 “Acknowledgment and Agreement to Be Bound” (Exhibit A);

2 (d) the court and its personnel;

3 (e) court reporters and their staff;

4 (f) professional jury or trial consultants, mock jurors, and Professional
5 Vendors to whom disclosure is reasonably necessary for this Action and who have
6 signed the “Acknowledgment and Agreement to Be Bound” (Exhibit A);

7 (g) the author or recipient of a document containing the information or a
8 custodian or other person who otherwise possessed or knew the information;

9 (h) during their depositions, witnesses, and attorneys for witnesses, in the
10 Action to whom disclosure is reasonably necessary provided: (1) the deposing party
11 requests that the witness sign the form attached as Exhibit 1 hereto; and (2) they will
12 not be permitted to keep any confidential information unless they sign the
13 “Acknowledgment and Agreement to Be Bound” (Exhibit A), unless otherwise
14 agreed by the Designating Party or ordered by the court. Pages of transcribed
15 deposition testimony or exhibits to depositions that reveal Protected Material may
16 be separately bound by the court reporter and may not be disclosed to anyone except
17 as permitted under this Stipulated Protective Order; and

18 (i) any mediator or settlement officer, and their supporting personnel,
19 mutually agreed upon by any of the parties engaged in settlement discussions.

20
21 8. PROTECTED MATERIAL SUBPOENAED OR ORDERED PRODUCED
22 IN OTHER LITIGATION

23 If a Party is served with a subpoena or a court order issued in other litigation
24 that compels disclosure of any information or items designated in this Action as
25 “CONFIDENTIAL,” that Party must:

26 (a) promptly notify in writing the Designating Party. Such notification
27 shall include a copy of the subpoena or court order;

28 (b) promptly notify in writing the party who caused the subpoena or order

1 to issue in the other litigation that some or all of the material covered by the
2 subpoena or order is subject to this Protective Order. Such notification shall include
3 a copy of this Stipulated Protective Order; and

4 (c) cooperate with respect to all reasonable procedures sought to be
5 pursued by the Designating Party whose Protected Material may be affected.

6 If the Designating Party timely seeks a protective order, the Party served with
7 the subpoena or court order shall not produce any information designated in this
8 action as "CONFIDENTIAL" before a determination by the court from which the
9 subpoena or order issued, unless the Party has obtained the Designating Party's
10 permission. The Designating Party shall bear the burden and expense of seeking
11 protection in that court of its confidential material and nothing in these provisions
12 should be construed as authorizing or encouraging a Receiving Party in this Action
13 to disobey a lawful directive from another court.

14
15 9. A NON-PARTY'S PROTECTED MATERIAL SOUGHT TO BE
16 PRODUCED IN THIS LITIGATION

17 (a) The terms of this Order are applicable to information produced by a
18 Non-Party in this Action and designated as "CONFIDENTIAL." Such information
19 produced by Non-Parties in connection with this litigation is protected by the
20 remedies and relief provided by this Order. Nothing in these provisions should be
21 construed as prohibiting a Non-Party from seeking additional protections.

22 (b) In the event that a Party is required, by a valid discovery request, to
23 produce a Non-Party's confidential information in its possession, and the Party is
24 subject to an agreement with the Non-Party not to produce the Non-Party's
25 confidential information, then the Party shall:

26 (1) promptly notify in writing the Requesting Party and the Non-Party
27 that some or all of the information requested is subject to a confidentiality
28 agreement with a Non-Party;

1 (2) promptly provide the Non-Party with a copy of the Stipulated
2 Protective Order in this Action, the relevant discovery request(s), and a reasonably
3 specific description of the information requested; and

4 (3) make the information requested available for inspection by the
5 Non-Party, if requested.

6 (c) If the Non-Party fails to seek a protective order from this court within
7 14 days of receiving the notice and accompanying information, the Receiving Party
8 may produce the Non-Party's confidential information responsive to the discovery
9 request. If the Non-Party timely seeks a protective order, the Receiving Party shall
10 not produce any information in its possession or control that is subject to the
11 confidentiality agreement with the Non-Party before a determination by the court.
12 Absent a court order to the contrary, the Non-Party shall bear the burden and
13 expense of seeking protection in this court of its Protected Material.

14
15 10. UNAUTHORIZED DISCLOSURE OF PROTECTED MATERIAL

16 If a Receiving Party learns that, by inadvertence or otherwise, it has disclosed
17 Protected Material to any person or in any circumstance not authorized under this
18 Stipulated Protective Order, the Receiving Party must immediately (a) notify in
19 writing the Designating Party of the unauthorized disclosures, (b) use its best efforts
20 to retrieve all unauthorized copies of the Protected Material, (c) inform the person or
21 persons to whom unauthorized disclosures were made of all the terms of this Order,
22 and (d) request such person or persons to execute the "Acknowledgment and
23 Agreement to Be Bound" that is attached hereto as Exhibit A.

24 \\\

25 \\\

26 11. INADVERTENT PRODUCTION OF PRIVILEGED OR OTHERWISE
27 PROTECTED MATERIAL

28 When a Producing Party gives notice to Receiving Parties that certain

1 inadvertently produced material is subject to a claim of privilege or other protection,
2 the obligations of the Receiving Parties are those set forth in Federal Rule of Civil
3 Procedure 26(b)(5)(B). This provision is not intended to modify whatever
4 procedure may be established in an e-discovery order that provides for production
5 without prior privilege review. Pursuant to Federal Rule of Evidence 502(d) and
6 (e), insofar as the parties reach an agreement on the effect of disclosure of a
7 communication or information covered by the attorney-client privilege or work
8 product protection, the parties may incorporate their agreement in the stipulated
9 protective order submitted to the court.

10 11 12. MISCELLANEOUS

12 12.1 Right to Further Relief. Nothing in this Order abridges the right of any
13 person to seek its modification by the Court in the future.

14 12.2 Right to Assert Other Objections. By stipulating to the entry of this
15 Protective Order, no Party waives any right it otherwise would have to object to
16 disclosing or producing any information or item on any ground not addressed in this
17 Stipulated Protective Order. Similarly, no Party waives any right to object on any
18 ground to use in evidence of any of the material covered by this Protective Order.

19 12.3 Filing Protected Material. A Party that seeks to file under seal any
20 Protected Material must comply with Local Civil Rule 79-5. Protected Material
21 may only be filed under seal pursuant to a court order authorizing the sealing of the
22 specific Protected Material at issue. If a Party's request to file Protected Material
23 under seal is denied by the court, then the Receiving Party may file the information
24 in the public record unless otherwise instructed by the court.

25 26 13. FINAL DISPOSITION

27 After the final disposition of this Action, as defined in paragraph 4, within 60
28 days of a written request by the Designating Party, each Receiving Party must return

1 all Protected Material to the Producing Party or destroy such material. As used in
2 this subdivision, "all Protected Material" includes all copies, abstracts, compilations,
3 summaries, and any other format reproducing or capturing any of the Protected
4 Material. Whether the Protected Material is returned or destroyed, the Receiving
5 Party must submit a written certification to the Producing Party (and, if not the same
6 person or entity, to the Designating Party) by the 60 day deadline that (1) identifies
7 (by category, where appropriate) all the Protected Material that was returned or
8 destroyed and (2) affirms that the Receiving Party has not retained any copies,
9 abstracts, compilations, summaries or any other format reproducing or capturing any
10 of the Protected Material. Notwithstanding this provision, Counsel are entitled to
11 retain an archival copy of all pleadings, motion papers, trial, deposition, and hearing
12 transcripts, legal memoranda, correspondence, deposition and trial exhibits, expert
13 reports, attorney work product, and consultant and expert work product, even if such
14 materials contain Protected Material. Any such archival copies that contain or
15 constitute Protected Material remain subject to this Protective Order as set forth in
16 Section 4 (DURATION).

17
18 14. VIOLATION

19 Any violation of this Order may be punished by appropriate measures including,
20 without limitation, contempt proceedings and/or monetary sanctions.
